MEMORANDUM FOR: Chief of Operations  
Physical, Technical and Area Security

FROM:

PPG

SUBJECT: Update of "A Study of Harassments and  
Provocations" [redacted]

REFERENCE: a) Memorandum dated 25 June 1981,  
same subject  
b) A Study of Harassments and Provocations,  
dated July 1978, Copy 1042

1. As indicated in referent a), the DCI Security Committee (SECOM) plans to update reference b). [redacted]

2. On behalf of the Agency's SECOM member, it would be appreciated if appropriate elements within the Physical, Technical and Area Security (PTAS) Directorate could provide examples of harassments and provocations in the vignette format of reference b) of a vintage more recent than July 1978. Both the Overseas Security Support Branch and the Technical Security Division might be aware of such instances. Perhaps the Area Security Officers, especially of the geographical divisions of the Operations Directorate could be asked to contact the various desk officers for useful input. Examples of harassment and provocation [redacted] would be very useful. [redacted]

3. Although paragraph 3 of reference a) indicates a suspense date of 23 October 1981, it would be further appreciated
